24 The main reason given for default in the payment of loan instalments is said to be the abnormal rainfall in Tanjore, which is supposed on an average to be 50 inches a year. Recently, another lakh of instalments 2000 has been added on account of the water supply scheme. The amounts outstanding on account of principal & interest together with the amount now realisable may be considered under one head, and received in twenty annual instalments with interest at 4½ p.c. as recommended by the D.C.

Subject - Repayment of loans in easy instalments in the Seringapatam Town Municipality

In forwarding herewith correspondence ending with report No C 23/37-38 dated 30th September 1937, from the President, Seringapatam Town Municipal Council, regarding the above, I have the honour to state that the Municipal Council of Seringapatam Town have resolved at the meeting held on 27th August 1937 that the loans due to Government in respect of the following items -

	Rs
(i) Seringapatam Water Supply	10,850- 8- 0
(ii) Loans in respect of contributions	4,560- 0- 0
& (iii) Ganjam water Supply	10,000- 0- 0

may be consolidated and the Government requested to sanction the recovery of the consolidated amount in 20 instalments, as the finances of this Municipality are in a bad condition They have further resolved that the Government be requested to reduce the high rate of 5½ per cent interest ordered on the said loan The President reports that ever since the abolition of the pilgrim tax in the Municipality the resources have been diminished and it has become impossible to balance the budget on account of the Municipality's various commitments Out of a revenue of Rs 9870-2-2 realised from Pilgrim tax, a sum of Rs 6,558-12-11 is reported to have been adjusted towards the water supply charges and the balance utilised for normal expenditure

I T O

2 It was irregular on the part of the Municipal Council to have used a portion of the income derived from pilgrim tax for nominal -- expenditure as Government in their Order No L 6249-51 I 1 133-33-6 dated 14th February 1934 had specifically ordered that the income derived from pilgrim tax, toll, etc , should be ear-marked for the - - payment of annual instalment and the maintenance charges His irregularity may be condoned

3 In the circumstances reported by the President, the request of the Municipal Council may favourably be considered and orders of Government obtained in the matter

Subject - Payment of overdue loan instalments by the Seringapatam Town Municipality

In continuation of this office letter No D3 1196/37-38 dated 20th July 1938, regarding the above, I have the honour to - forward herewith a copy of the resolution of the Municipal Council received with report No H C 23/37-38 dated 18th July 1938, from the President of Seringapatam Town Municipal Council and to state that the actual closing balance of the Municipality is reported - to be ₹ 402-15-7 at the end of June 1938

2 The Municipal Council at the meeting held on 18th June 1938 have resolved that the abolition of the pilgrim tax affected the finances of the Municipality considerably and that they could not repay the several loans at the stipulated time, on account of their sources of income being reduced They request that Governmen may be pleased to consolidate the several loans obtained by them on various dates and order recovery of the same in easy instalments, not exceeding Rs 1500/- per year

3 Government in their order No L 711-2 M1 199-37-4 dated 21st/22nd July 1938, while reviewing the Budget estimates of the - Municipality for the year 1938-39, have retained a sum of ₹ 3650/- for the payment of several loans with interest

Sir

With reference to your memo No D3 1196 of 31st May 1938 regarding the adjustment of arrears of instalments of the loan, I have the honour to state that the matter was placed before Council meeting on 8.6.38 and the copy of its resolution is hereunto submitted for favour of perusal. The finances of this Municipality are very bad. The closing balance will barely be 2000/- at the end of the official year. In

View of the urgent obligatory works being undertaken the amount of instalments cannot be met except with drastic effect to the finances of the municipality The Councils opinion is that these debts were incurred with the definite understanding that the pilgrim tax will be set apart for their repayment But this tax was abolished with the result that the municipality is burdened with a heavy debt to repay while its sources of income have been cut short Under these circumstances I request you to kindly recommend to Government to graciously consider the request of the Council that the debts may be recovered in easy instalments of rupees 1500/- per year
